

Governor's Letter

Dear Friend,

Voting is our sacred right and duty as Americans. Many who came before us fought and died so that we could have a say over who would lead our communities our state and our nation.

New Jersey takes great pride in the integrity of our state's election process. With that in mind, the Division of Elections has put together this Chronological Elections Guide to keep you informed of important dates and deadlines in New Jersey's elections.

If you're new to voting, this will be an indispensable resource as you exercise your right as an American Citizen for the first time. If you've voted before, this guide will be a helpful refresher of important information about the voting process. You may even learn something that you didn't know before.

If you're not registered to vote please do so, it's quick and easy, and this guide can show you how. Once you're registered be sure to make time to vote. The short amount of time that it takes is your chance to make a difference.

Sincerely,
Governor Jon S. Corzine
